PURPOSE:

To advise:

Bureau is in receipt of a Standard Form 85 (Security Investigation Data for Non-sensitive Position) concerning above-mentioned individual for processing under Executive Order 10450 (Federal Employee Security Order). Bureau files indicate her mother is a current symbol security informant of the Chicago Office; therefore, Standard Form 85 being returned marked, "No Derogatory Data."

BACKGROUND:

Employee was born July 20, 1932, at Shreveport, Louisiana.

A review of Bureau files discloses employee's mother, Lola Belle Holmes, voluntarily appeared during February, 1953, at the Chicago Office and complained she was experiencing difficulty in her union (International Ladies Garment Workers) due to her past political activities in the Progressive Party (PP) of Illinois during 1948. She stated she was not and never had been a Communist Party (CP) member nor did she knowingly attend any CP functions, although she has now realized the PP was dominated by the CP. She volunteered to furnish information to the FBI. Since 1956, she has been a member of the Independent Voters of Illinois and the Midwest Committee for Protection of Foreign Born (MCPFB). She became a CP member of Illinois on August 27, 1957, and is currently a member who reports on 111 individuals

OG [REDACTED]

[REDACTED] has so gained the confidence of the officers of the CP of Illinois that when they were faced with the need for the development of a Negro woman for top leadership, the informant was singled out. According to reports from other informants, the CP of Illinois leadership hopes to develop a Negro woman leader patterned after GERALDYNE LIGHTFOOT, CP, USA, National Committee member, and wife of CLAUDE LIGHTFOOT, Vice-Chairman, CP, USA. The leadership sees this informant as filling this need.

The no less than spectacular achievement of a top leadership position in the CP of Illinois joined with the fact that this informant devotes an outstanding amount of productive time in connection with her work, plus the fact that she is being singled out for leadership training to further her leadership position compels the following:

I recommend that the services of this informant be continued and that she be retained as a Security Informant of the Chicago Division.

I further recommend that authority be granted to increase payments for services rendered up to [REDACTED] for actual expenses incurred for a period of four months effective April 13, 1960.

DATE: March 30, 1960

[REDACTED]

Remylet 11/27/59.

1. Recommendation

[REDACTED] currently is being paid up to [REDACTED]  
[REDACTED] for expenses actually incurred.

A study of the work of this informant reveals that the informant occupies herself approximately 30 hours each week, excluding time spent in contacts with the contacting agent, in gathering information at the source for transmittal to this Bureau. It is apparent that with added responsibility in the CP of Illinois leadership, which is described below, the informant will be increasing this large outlay of time. It is to be remembered that the informant also occupies herself with a full-time job in the needle trades industry. The information which this informant has furnished in this past period has an added quality derived from a phenomenal rise in the CP of Illinois leadership, and this rise shows every evidence of continuing.

The status of [REDACTED] in the CP of Illinois has changed to a district leadership level since submission of relet. Following her attendance at the CP, USA, 17th National Convention, where her status changed from an Alternate Delegate to Delegate, she was selected for inclusion on the recommended slate for the CP of Illinois State Committee presented to the Reconvened CP of Illinois State Convention in January, 1960. Following her election to the State Committee, she was included on the recommended slate for the CP of Illinois State Board presented to the newly elected State Committee. She was elected to the State Board. Informant has since been included on the CP of Illinois Negro Commission.

EX-130 [redacted]

Reurlet dated 3-30-60 recommending monthly increases in authorized payments to captioned informant from up to [redacted] for services to up to [redacted] and from up to [redacted] for expenses to up to [redacted]

Relet and Bufile disclose that captioned informant has made rapid progress in the Communist Party (CP) since becoming a member of the Party on 8-27-57. Her recent election to both the State Committee and the State Board, CP of Illinois, is noteworthy. [redacted]

In line with the rapid progress of this informant in the CP, substantial increases in authorized payments for services have been granted. After the informant became a member of the CP, authorized monthly payments were increased from [redacted] to [redacted] effective 9-13-57; from [redacted] to [redacted] effective 4-13-58; from [redacted] to [redacted] effective 8-13-58; and from [redacted] to [redacted] effective 8-13-59. A review of the payments made for services in this case by your office disclosed that beginning with the first month in which increases were granted full authorized amounts were paid for the month and continued until the next increase. In making payments to an informant you should give careful thought to keeping the amounts to a figure less than the maximum authorized so that you will always have available a specific sum which can be used to further encourage the informant to increase his production and activities on behalf of the Bureau.

MAILED 5

In view of the substantial increases in authorized payments which have been made in this case for services, particularly the last increase of [redacted] effective 8-13-59, and your continuation of payments up to maximum amounts authorized your recommendation for an increase of [redacted] for services is not being granted. Authority is granted to continue payments to [redacted] up to [redacted] for services rendered and to increase payments up to [redacted] for expenses actually incurred for a period of four months effective 4-19-60.

9. Informant's Potential for Advancement

Excellent. Informant's associations with individuals such as [redacted] and others in the Flynn section, as well as her membership in the section, and her association with JIM KELLER puts her into a position which forms a good base for future activity and selection for her assignment to higher positions. Also, in the pertinent period, informant was able to establish a closer acquaintance with CLAUDE LIGHTFOOT through her attendance at the CP of Illinois District school which in itself will help broaden the basis for informant's future advancement.

10. Stability and Reliability

[redacted] appears to be excellent in her stability and reliability. She has indicated no problem regarding her relationship with the Bureau. She continues to give evidence of her desire to cooperate with this Bureau.

For the information of the Bureau, informant as Executrix of her deceased mother's will is a party defendant to a suit in St. Louis, Missouri, to quiet title to real property bequeathed to informant and her brother by their mother. The claim which is in litigation was entered by an individual whom informant claims held title to the real property in question prior to its being transferred to her deceased mother. Informant will advise when this case comes up for trial, and she will appear. Informant has stated in connection with this litigation that while it is a matter of concern she is resigned to whatever judgment is reached by the court. There is no evidence that this suit will affect the informant's relationship with or attitude toward her cooperation with this Bureau.

In evaluating the interview with HOLMES it is pointed out that she is an intelligent, mature and emotionally stable individual. She is well known and has a wide following among the Negro people in Chicago. Although HOLMES has been inactive in CP front groups in the past three years, it is believed that she would experience no difficulty in renewing her old contacts and could soon be in a position to assist this office in a valuable manner.

Mrs. Frank Holmes

DIRECTOR, FBI

RE: LOLA BELLE HOLMES  
PSI

95888

She advised that she would be happy to furnish this literature to the FBI, but requested that she not be contacted until after the middle of January as she was engaged in negotiating the unions annual contract and due to her holiday plans.

On January 23, 1956, HOLMES was contacted by SA'S [redacted] and AUGUST J. BAUMGARTNER at her residence, 5468 South Kenwood Avenue, Chicago.

HOLMES reiterated her Progressive Party activities and association with Communist Party members in 1948 and 1950. She stated that since the 1952 election she had taken no active part in politics and had withdrawn from her former associates in the Progressive Party. HOLMES stated that although she has ceased her political activity she continues to receive invitations and requests for contributions from organizations which she feels are CP fronts. She specifically stated that she had recently received tickets to an affair sponsored by the Chicago Council of American-Soviet Friendship and that in the Fall of 1955 had been approached for a donation to the Lightfoot Defense Committee. HOLMES expressed her willingness to be of assistance to the FBI in any way that she could be of service.

At this point HOLMES was advised of the Bureau's jurisdiction in espionage, sabotage and matters concerning the security of the country.

It was explained to HOLMES that the Bureau had no interest in legitimate employee-employer relations nor in union matters. The agents also explained to HOLMES any assistance she gave to the FBI was voluntary on her part and that she should not consider herself an employee of the FBI.

During the course of this interview HOLMES mentioned names of individuals known to her as or suspected of being members of the Communist Party. In this regard it should be noted that approximately 15 of the individuals mentioned by HOLMES were persons reflected in the files of the Chicago office as being members of the Communist Party or active in CP front groups in the Chicago area.

DIRECTOR, FBI

RE: LOLA BELLE HOLMES  
PSI

refused to withdraw from the race and as a result both she and PARKS were defeated. 95887

HOLMES stated that at that time she first realized that the Progressive Party of Illinois was dominated by the Communist Party.

HOLMES stated that in 1952 she again became a candidate on the Progressive Party ticket for the office of State Treasurer, without the support of the Communist Party. Following her defeat she ceased all activity with the Progressive Party.

HOLMES stated that she had devoted the past ten years toward union activities and that in 1952 she was an executive board member of Local 212, ILGWU in Chicago. HOLMES stated that it was her desire to further advance herself within her union. During this interview HOLMES advised that while she was willing to help the FBI she felt that in view of her complete break with leaders within the progressive movement and their attitude toward her at that time, she did not believe she could be of any assistance to the Bureau.

On December 15, 1955, [redacted] of Locals 208 and 212, ILGWU, appeared at the Chicago office of the FBI and stated that LOLA BELLE HOLMES had been nominated to a responsible position in his union and that she would be required to execute a non-Communist affidavit. [redacted] specifically requested information as to whether or not the FBI could advise him if HOLMES was a member of the Communist Party. The confidential nature of the Bureau's files was explained to [redacted] and no information was furnished to him. b6 b7C

On December 22, 1955, LOLA BELLE HOLMES telephonically contacted SA AUGUST J. BAUMGARTNER at which time she advised that she had recently executed a non-Communist affidavit at the request of her union and that she wished, in view of her previous contact with the FBI, to advise that she continues to receive unsolicited literature from organizations she believes to be Communist in nature. She repeated that she is not now or has never been a CP member.

SUBJECT: LOLA BELLE HOLMES  
PSI  
O.O. Chicago

DATE: February 7, 1956

95886

In 1952 a case file was opened on the above captioned individual based upon allegations that she was a member of the Communist Party. Subsequent investigation failed to reflect any Communist Party activity and no report was submitted to the Bureau.

In February 1953 the subject appeared at the Chicago office at which time she stated that she was experiencing difficulty in connection with her union work due to her past political activities with the Progressive Party of Illinois. HOLMES stated that as a result of this activity an official of her union, the International Ladies Garment Workers Union, suggested that she come to the FBI and explain to the Bureau the extent of her past activities.

On this occasion HOLMES gave the following information:

She stated that she was not and never had been a member of the CP and had never knowingly attended any CP meetings. She advised that she had participated in the activities of the Progressive Party of Illinois in 1948 and that she had established a large following of voters in support of HENRY WALLACE in the 1948 presidential election. HOLMES explained that her purpose in working within the Progressive Party was because she felt that this party offered the most satisfactory platform to the people of the Negro race. HOLMES stated that in 1950 she was the Progressive Party candidate for the office of State Representative from the 5th Senatorial District of Illinois. In 1952 HOLMES was the Progressive Party candidate for the office of Illinois State Treasurer.

In connection with the 1950 election, HOLMES stated that after she had been nominated for the office of State Representative on the Progressive Party ticket she was approached by the Communist Party and asked to withdraw from the campaign in order that SAM PARKS, a known CP leader, could become the Progressive Party candidate.
